

ANTI-BULLYING POLICY

1. INTRODUCTION

- 1.1 It is the Policy of the BSC to safeguard children and adults at risk taking part in boating from physical, sexual and emotional harm. The BSC consider bullying of any kind unacceptable within children and adults at risk race training and racing activities under its direct remit and control. A child is defined as being any person under the age of 18. An Adult at Risk', is anyone aged 18 or over who may be defined by the Care Act 2014.
- 1.2 This document sets out what the BSC means by bullying, how you can recognise it and what to do about it if you think it might be happening.

2. OBJECTIVES

- 2.1 The objective of this Policy is to prevent bullying occurring, but if it does, to provide a mechanism where it can be quickly brought to the attention of nominated individuals who can investigate the situation and work with both the victim and the bully in order to resolve the problem.

3. WHAT IS BULLYING

- 3.1 **Bullying is the use of aggression with the intention of hurting another person.** The three key bullying behaviours are:
- It does not just happen once; it is ongoing over time.
 - It is deliberate and intentional- it is not accidentally hurting someone.
 - It is unfair/there is an unequal power balance (imbalance of power). The person/people doing the bullying is/are stronger, or there are more of them or they have 'influence' (higher status or power).
- 3.2 **Bullying can be:**
- Emotional being unfriendly, excluding, tormenting (e.g. hiding possessions gear or equipment, threatening gestures)
 - Physical pushing, kicking, hitting, punching or any use of violence
 - Racist racial taunts, graffiti, gestures
 - Sexual unwanted physical contact or sexually abusive comments
 - Homophobic because of, or focussing on the issue of sexuality
 - Verbal name-calling, sarcasm, spreading rumours, teasing.
- 3.3 **Why is it important to respond to Bullying?**
- Bullying hurts and no one deserves to be a victim of bullying. Everybody has the right to be treated with respect.
 - Bullying is often a call for help by the person showing bullying behaviours. They need help both to learn different ways of behaving and to understand the reason that it is unacceptable. It is often symptomatic of other issues which they may need help with. Therefore promptly informing an appropriate person about these behaviours helps everyone.

4. SIGNS AND SYMPTOMS OF BULLYING

- 4.1 A child's or adult at risk's behaviour may be indicative that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child/adult at risk:

5. PROCEDURES

- 5.1 If anyone, either sailor or adult, suspects that bullying is taking place it is expected of him or her that they inform an appropriate person. This can be a Parent, Coach, Carer, Committee member, or the BSC Safeguarding Designated person
- 5.2 This person will then follow the procedure laid down in the BSC Safeguarding Policies and Guidelines.
- 5.3 Informing an appropriate person that you suspect bullying when you have genuine grounds will not result in disciplinary action against you and the bully will not be informed of your identity without your consent.
- 5.4 Being found to know of bullying without reporting it is a disciplinary offence.

6. OUTCOMES

- 6.1 All interviews will be conducted under Best Practice Guidelines, which includes all children being accompanied by a parent or responsible adult.
- 6.2 The child/adult at risk who is bullying will be asked to explain his or her behaviour and consider the consequences of it both to themselves and to others. They may be asked to genuinely apologise. If possible, the children/adults at risk will be reconciled.
- 6.3 It may be recommended that the child/ adult at risk seek the help of Professional Health Counsellors to deal with their behaviour.

- 6.4 If incidents take place at sailing events hearings under Rule 2 or Rule 69 may take place.
- 6.5 Depending on the severity of the case suspension or exclusion of the bully (ies), from events and/or squads, might be necessary.
